**Subject:** Difficult rules report: AMIEU Victoria

Dear Jackie

I write in respect of a difficult rules report that the AMIEU (Victorian Branch) received.

The AMIEU's federal council recently met. At that meeting, the council resolved to amend the difficult rules identified and to (in their place) insert the relevant model rules that were suggested by the AEC.

The AMIEU will shortly take steps to notify the FWC of the proposed rule change such that approval to change the rules can be obtained.

I understand that the Qld, NSW and NNTSA branch (I wrote to you) have also responded to you and or the AEC generally in relation to the identical difficult rules reports.

Warm regards,

**Brendan Swan**  
National Industrial Officer  
AMIEU
